

Transportation Community Board Agenda Meeting Minutes

10 a.m. March 19, 2024

Board Members in Attendance:

Berni Lyons
Annie Mannering
Kimberly Johnson
Joshua Lewis
Lisa Thomas
Matthew Paswater
Melissa Montoya

Agenda:

The community board met at 10:00am MST. Board members nominated and voted for the positions of chairperson, vice chairperson, and secretary with the results as Joshua Lewis for Chairperson, Lisa Thomas for Vice Chairperson, and Melissa Montoya as Secretary. Board members reviewed the board's bylaws which include the responsibilities and duties for board members. Five votes were cast for the bylaws to not be amended at this time.

The board established the remaining meetings for 2024 as follows: April 2 at 10:00am, June 2024 at 10:00am, September 24 at 10:00am, and December 10 at 10:00am.

Questions presented to the board:

Melissa Montoya asked for clarification on if a patient is able to have their departure ride take them to a different address than the one that they were picked up from that day. It was confirmed that this is acceptable for patients (ie: a patient is picked up from their home address, taken to their medical appointment, and then they are taken to their employer after).

Announcements:

Matthew Paswater informed the board about the ongoing state investigation into the transport providers being extended through September 2024. Transport providers will need to be certified to maintain their contracts with Transdev or they will be removed.

There were no other announcements or questions, so Joshua Lewis adjourned the meeting at 10:54am.
